

I feel K-LOVE is a positive asset to each community it serves by providing encouraging music and messages using announcers and format whereby you don't have to worry about inappropriate content for all ages, beliefs, etc.

I am not sure that a Low Power FM station can guarantee this type of programming and I feel it would be a tremendous loss to our community.

With some much negative news hitting from all sides (TV, newspaper, and radio) it is refreshing to hear positive stories and songs that uplift the spirit.
